## GERMANS CAPTURE RASH TAUBE GETS 13 BRITISH SHIPS CAUGHT AT DUNKIRK

## ment About Exploits of the Karlsruhe.

London, Oct. 23 .- The Admiralty to-

London, Oct. 23.—The Admiralty tonight issued a report in which it was
stated that the German cruiser Karlsruhe had captured thirteen British
steamers in the Atlantic.
The news of the Karlsruhe's exploit,
according to the Teneriffe correspondent of "The Daily Mail," was brought
to that port by the German steamer
Crefeld, which arrived there with the
crew of the British steamers Strathroy,
Maple Branch, Highland Hone, Indrani, Maple Branch, Highland Hope, Indrani, Rio Iguassu, Farn, Niceto, Maria de Larrinaga, Cervantes, Cornish City, Pruth, Conder and Lynrowan, all of which were sunk by the Karlsruhe. The Crefeld was accompanied into port by the German steamers Patagonia, Rio

Negro and Asuncion. A later message states that more than 400 men of the crew are prisoners, and that the merchantmen were mostly sunk in the Atlantic. The ships were mostly engaged in the South American

British and French Now in Fighting from Dixmude Toward La Bassee.

PARIS ADMITS GAINS AT POINTS BY INVADERS

#### Struggle Now in Progress in Arras Region Equals in Violence That of Marne.

Paris, Oct. 23 .- The Germans have undertaken a general offensive move; ment along the line extending from the mouth of the River Yser, on the North Sea, to the River Meuse, and while they have compelled the Allies to give ground in some places they themselves hav lost positions in others. This, in a few words, is what is gathered from official reports coming this evening from both the French and the Germa headquarters.

The German attack to-day was particularly severe in the west, where their right wing, strongly reinforced by fresh troops, attempted an advance against the Belgians, who are holding the Allies' extreme left. This left rests n the coast and is supported by English and French warships and by Anglo French troops, which form a front from a point somewhere in the vicinity of Dixmude southward to La Bassée

Both sides claim successes, but the French alone admit that in places they have been compelled to fall back. It appears, however, that the swinging and swaying of the lines is the same as
